1 Use an atlas to find each place in the list. Mark it on the map above, and label it. Keep your writing small and neat! Tick each box when you finish with it.

2 Now, using the map to help you, see if you can explain in your own words:

a what a headland is b what the Scottish word 'Firth' means

c the difference between a firth and a bay

d the difference between an ocean, a sea and a sea channel.

Write your answers on the back of this sheet.
